

DISCIPLESHIP FOR ALL AGES

SUNDAYS 9-10AM | BEGINNING SEPT 19

ADULTS

YOUNG ADULTS | *Matt & Marissa Kerwin*

For ages 18-30. The Thinking Series. This series will tackle the top five questions our culture is asking today.

YOU LOST ME AT LEVITICUS | *Pastor Colleen Dick*

We will wrestle with a book of the Bible that many of us do not understand or simply struggle to see how it applies to us today. As a group, we will discuss and focus on the holiness of God, the Old Testament systems, the Law and how they impact us in our everyday lives.

SONSEEKERS | *James Kerwin*

A study of the Book of Hebrews where the reader is challenged to remain faithful to Jesus who is greater than the heroes of the faith. We should look to the giants of the faith found in this book as examples for how to live despite hardships and persecution.

GOSPEL AMBASSADORS | *Rick Kinde*

...We are working on identifying a study for this group...

TEENS 6-12TH GRADE

TEEN TALKS

An informal and collaborative time of sharing, growing in their understanding in the essentials of the faith, and allowing space for grappling with questions. Teen Talks meet in the loft upstairs. It's a time of going deeper in our understanding of the essentials of faith, the story of God, how to interpret scripture, while also providing teens the opportunity to grapple with relevant issues of the day.

There is a **middle school group** (6-8th grade) which focuses on the essentials of faith.

There is a **high school group** (9-12th) which delves deeper into Biblical interpretation, the creeds, and Christian issues.

CHILDREN BIRTH-5TH GRADE

NURSERY CARE | *Birth up to age 2*

PRESCHOOL - 5TH GRADE

Using Gospel Project curriculum, kids have an opportunity to worship as a whole group and break into age-appropriate classes to hear stories from Genesis to Revelation. Our activities help kids study the Bible in engaging ways.
