

PEARCE CHURCH

PASTOR'S POST | June 24, 2022

Dear Pearce Family,

Two minutes onto the ferry and we realized the bag was back at Starbucks, two miles away. There was no going back. Passport, license, credit cards, cash - all in that bag. As the ferry sailed away, we were directed to the Chief Steward of the ship. She called the Starbucks. A customer had turned the bag in. An employee was willing to bring it to the terminal. BC Ferries was willing to give us a round trip ticket for two to go back and pick it up. We ran to the customer service desk to get it and everything was intact. Not a dime missing.

We encountered grace at every turn in the form of kindness, generosity, helpfulness, and understanding. We are grateful for the chain of strangers who helped us on our way. May we be just as helpful and compassionate toward others we encounter every day who need grace.

With Faith,

Pastor Todd
