Parking Lot Update: July 3-12

The next phase of Roberts Wesleyan University's parking lot resurfacing project will begin on Friday, July 3. Beginning July 3 through Sunday, July 12, all areas that were previously milled will be closed to all vehicle traffic. This includes Lot A, the Pearce Café loop, and Apple Lane alongside the Pearce facility. As a result, parking for weekend services on July 4-5 and July 11-12 will be affected. During this time, all worship attendees, P4K families, and Pearce guests are encouraged to park in our Orchard Street parking lot. Overflow parking will be directed onto the lawn as needed. To help accommodate everyone, we kindly ask those who are able to park in the spaces farthest from the building, allowing closer parking for individuals with mobility concerns and families with young children. If you have any questions or concerns, please contact the church office at (585) 594-9488. Thank you for your patience, flexibility, and cooperation as we work through this next phase of the resurfacing project.
